Hi Jim,

Excuse me for not responding to your first email. We have lost a few people and the cases have been shuffling around a bit. Would you be available the following week of August 15? I may proceed on the 8<sup>th</sup> as there appears to be two chemists but am still deciding. Also if the court is not inclined how does the beginning of September look for you?

Hope you have a nice vacation and thank you for the email reminder.

John Flor
